The 23rd Spring Golf Classic

Thanks to everyone who supported the annual Unity Club Spring Golf Classic honoring Larry Reinold one of our founders. It was a huge success. We beat last year's attendance in addition to meeting our fund raising goal. It is our biggest fund raising event of the year – and because of all of your support we can continue to “carry the message”.

Our day started at 9:30 a.m. with volunteers arriving to get ready for registration and for Ennio to set up his wonderful breakfast. Attendees arrived around 10:30 to not only get settled but to get some practice shots in. The driving range was standing room only. The Putting Contest started at 12:15 with Lisa and her girls keeping everyone honest. I couldn't believe it, the line went on forever, and we had to call a halt to the competition in order to get the tournament started. (The winner was picked at the awards banquet.) Shotgun start was at 1:00 p.m. sharp and other than a small cart crash, everything went well.

It was again a hot and humid day – compounded with rain and lightening around 5 p.m.. Laurel Hills had to call the tournament early – but the rain didn't dampen anyone's spirits. The awards banquet was great fun and nobody left without a gift. Winners are posted on page 2.

July 2019

Unity Club of Falls Church, Virginia is a meeting place for members of Alcoholics Anonymous and fifteen other recovery fellowships based on the 12-Steps of AA. It is a safe haven for people to come to while they work on a different way of life. It is a place of hope.

Heard in the Rooms

If your problems have driven you to prayer, they've served their purpose.

Ninety percent of what goes on in your mind is none of your business.

I walk into AA meetings alone. I leave together.

Stupidity is a condition; honesty is a choice.

When you change the I in illness to we, you get wellness.

Coffee Bar Changes

We have been trying to make some positive changes in the coffee bar: cleaner counters, fresher muffins and cookies, bigger inventory, fresh paint, and less clutter. We may have gone too far by taking everything off the walls.

So we are asking for help.

We know we have a large pool of talent within the Unity Club. We are looking for those of you who have artistic talent to donate items for our wall. Share with us your vision of recovery and/or serenity. Contact me csangel100@gmail.com or Nicole at the coffee bar to discuss your ideas. Thanks in advance for your support.
