

**March 2020**

**The Unity Club will be suspending operations through June 10th, pending further guidance from our government.**

**Unity Club of Falls Church, Virginia is a meeting place for members of Alcoholics Anonymous and fifteen other recovery fellowships based on the 12-Steps of AA. It is a safe haven for people to come to while they work on a different way of life. It is a place of hope.**

**Going to Any Length.....**

There are excellent meeting information resources available and continually updating at [aa-intergroup.org](http://aa-intergroup.org), [aavirginia.org](http://aavirginia.org) and our website [www.unityclub.com](http://www.unityclub.com). As resources become available we will add them. If your group would like to post a notice, please fill out our on-line contact form.

Life as we know it has changed dramatically, but we are the lucky ones. We have the AA fellowship to keep us connected and sober. Reach out to people and let them know you are thinking of them. We as a community have been very creative in adjusting our meetings. My group has switched over to zoom and I can't tell you how wonderful it is to see 40+ familiar faces while I "Stay at Home".

Please be kind to each another and most of all be safe

Ahhh the rumor mill is busy.....

We have had numerous inquiries about the Unity Club going under or that we lost our lease etc...NOT SO!

Our wonderful landlord has renewed our lease for another 5 years so we are solid there.

The truth is that we are challenged as we rely on the basket revenue to pay our operating expenses. Many generous people have donated on-line but if this continues until June – well, things are going to be tight. So if you can please donate ([www.unityclub.com](http://www.unityclub.com)).
